Thiruvananthapuram
Kerala, India.

Profile

I am a WordPress website developer with over 10+ years of experience creating dynamic, responsive, and SEO-friendly websites. I excel in delivering tailored solutions for diverse client needs, combining technical expertise with a keen eye for design. My goal is to develop websites that are not only functional and visually appealing but also user-friendly and optimized for performance.

Work Experience

2022 - Present

Webwhites Pvt.Ltd

Wordpress Developer

Led a team in designing and developing WordPress websites and user interfaces, ensuring seamless functionality and user-friendly designs. Oversaw project workflows, maintained brand consistency, and delivered high-quality results on time.

2014 - 2022

Phoenix Creatives

Graphic designer & Web Designer

Created engaging visuals and user-friendly websites, blending creativity with functionality. Specialized in branding, UI design, and responsive development to deliver impactful experiences.

2012 - 2014

Malayalam Mathrika

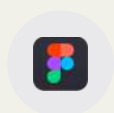

Graphic Designer

Created visually compelling designs, focusing on branding, layouts, and visual communication to effectively convey messages and enhance user experience.
